| 1999    | Grantmakers in Health (GIH) 1999 Annual Report                          | Grantmakers In Health  
1100 Connecticut Avenue, NW  
Suite 1200  
Washington, DC 20036  
(202) 452-8331  
Fax (202) 452-8340  
| 1999    | CPRC Report: Building Bridges for California’s Young Children: A 12 Point Agenda to Enhance Proposition 10 | California Policy Research Center  
1950 Addison Street, Suite 202  
Berkeley, CA 94704  
(510) 642-5514  
Fax (510) 642-8793  
E-mail: cprc@ucop.edu  
www.ucop.edu    | Report: This report suggests ways in which strategic links can be forged between parents and schools, health care providers and child care providers, the business community and early childhood service providers in order to enhance California’s recently passed Proposition 10. |
| May 1999| Charting a Course for the Future of Women’s and Perinatal Health         | The Women’s and Children’s Health Policy Center  
Johns Hopkins School of Public Health  
624 North Broadway  
Baltimore, MD 21205  
(410) 502-5443  
Fax (410) 955-2303  
www.pmchc.org    | Compendium: The second of two parts, this report was developed to assess the health needs of women of reproductive age and to formulate recommendation for future direction in policy, practice, and research. This compendium, distinguished by its public health orientation, provides an examination of perinatal health within the context of women’s overall health. |
| 2000    | Comenzando Bien A Prenatal Education Program for Hispanic Women          | March of Dimes Fulfillment Center  
PO Box 1657  
Wilkes-Barre, PA 18703  
1-800-367-6630  
Fax (570) 825-1987    | Pamphlet: This pamphlet provides information about Comenzando Bien, an educational program that addresses the unique needs of Hispanic women and their families. The culturally and linguistically appropriate health education curriculum is designed to encourage Hispanic women to seek early prenatal care and adopt healthy lifestyles during pregnancy. |
| 2000    | March of Dimes Resource Center Information Pamphlet                     | March of Dimes  
National Office  
1275 Mamaroneck Avenue  
White Plains, NY 10605  
1-888-MODIMES  
resourcetcenter@modimes.org  
www.modimes.org    | Pamphlet: This March of Dimes Pamphlet provides information about the MOD Resource Center, including contact information by phone, fax, E-mail, and internet. |

### Winter 2000

**Models that Work UPDATE**

**Volume 4, No. 2**

Models That Work Campaign 4350 East West Highway 7th Floor Bethesda, MD 20814 (800) 859-2386 (301) 594-4310 Fax (301) 594-4983/4997 models@hrsa.gov www.bphc.hrsa.gov/mtw

**Newsletter:** This newsletter offers an informative overview of the MTW Campaign, the MTW Models and the 44 public-private organizations (corporations, foundations, and professional associations) that want to support efforts to increase access and reduce health disparities.

### Winter 2001

**Project Lifeline**

**No. 12**

The Center to Prevent Handgun Violence 1225 Eye Street, NW Suite 1100 Washington, DC 20005 (202) 289-7319

**News Brief:** This quarterly publication is produced by health professionals in order to educate the public about handgun violence. The issue features current news and legislative events, reports from partner organizations, and resources for further action.

### 2001

**the Vickery**

Family Health Resource Center 1-877-814-0410 ($3.00 per copy)

**Guidebook:** This is a community guide for coordinating the medical home and early intervention. The guidebook can be used as a tool for rethinking how your community might reorganize its services and resources in ways that families can use them more easily.

### 2001

**ASIP Information Folder**

Association of SIDS and Infant Mortality Programs c/o Minnesota SIDS Center Children’s Hospitals and Clinics 2525 Chicago Avenue South Minneapolis, MN 55404 (612) 813-6285

**Info Folder:** This information folder provides a vast array of program resources, research findings, practice publications, evaluation plans, samples of Back to Sleep Campaign brochures, and ASIP membership information.

### 2001

**Strategies for Reducing Racial and Ethnic Disparities in Health**

**No. 5**

Grantmakers in Health 1100 Connecticut Avenue, NW Suite 1200 Washington, DC 20036 (202) 452-8331 Fax (202) 452-8340 www.gih.org

**Issue Brief:** This GIH publication focuses attention to documenting the problem of racial and ethnic disparities in health, examines the antecedents to disparities, provides strategies to reduce disparities, and issues challenges for grantmakers.

### 2001

**Victims of Our Own Success: Will Immunization Remain the Paradigm of Effective Prevention?**

Grantmakers in Health 1100 Connecticut Avenue, NW Suite 1200 Washington, DC 20036 (202) 452-8331 Fax (202) 452-8340 www.gih.org

**Issue Brief:** This GIH publication focuses on immunizations as a matter of public safety, discusses public support of immunization, examines vaccine safety, and discusses perceptions and attitudes surrounding immunizations, promoting immunizations, and maintaining the public trust.

### 2001

**Parental Mental Illness**

**No. 5**

University of California California Policy Research Center 1950 Addison Street, Suite 202 Berkeley, CA 94704-1182 (510) 642-5514 Fax (510) 642-8793 cprc@ucop.edu www.ucop.edu/cprc

**Policy Brief:** No. 5 in the “Building Community Systems for Young Children” Series; this policy brief is designed to support the implementation of Proposition 10: The California Children and Families Act. This policy brief calls for a more systematic approach to identifying and serving parents with mental health problems in order to improve family functioning and child development.
