Call Responsibilities:

Call is taken from home though you may have to come in to assess a patient;

**Frequency:** Is generally well below the RRC recommended maximum. Call nights may be assigned but will not exceed RRC guidelines.

**Responsibilities:**

Weekday/night include: TRU patients, and geriatric outpatients.
Weekend includes: TRU patients, geriatric inpatient service and geriatric outpatients

**Inpatient Service responsibilities:**

When the inpatient service resident is absent for vacation or sick leave for an entire day or more on weekdays, a fellow will assume care of the inpatient service with the service attending. The following line of responsibility will be followed. 1st TRU fellow, 2nd GAC fellow, 3rd if neither of the above then decided by geriatric faculty/staff with input from the fellows.
